ISSUE 130

AUGUST 1979

EARLY MEMORIES OF BAR HILL

HAVING LIVED IN CAMBRIDGE SINCE 1929 AND MY GRAND-PARENTS SINCE 1875, MY GRANDFATHER W.E.FOSTER WITH LORD BUCKMASTER AND SIR ATHERLEY JONES WERE PIONEERS OF THE THEN LIBERAL PARTY. MY EARLIEST RECOLLECTION OF CAMBRIDGE WAS AT THE EARLY AGE OF 2 YEARS AND I CAN RECALL THESE VERY HAPPY YEARS.

EVENTUALLY I RETURNED TO CAMBRIDGE IN 1929. ONE OF THE JOYS OF THESE EARLY DAYS WAS THE JOY OF RIDING WITH MY FRIENDS, WHOSE FAMILY RENTED FROM BAR HILL FARM THE LAND KNOWN NOW AS BAR HILL VILLAGE. THE AREA WAS USED FOR THE GROWING OF SOFT FRUITS.

LIVING IN CAMBRIDGE WE HIRED HACKS FROM THE BARTON ROAD RIDING STABLES, AND OUR JOURNEY TOOK US THROUGH THE THEN BRIDLE AND FOOTPATHS TOWARDS COTON, OVER THE CROSSROADS TOWARDS MR. GALLYONS CLAY PIGEON MEADOW PASSING MADINGLEY HALL, AND EVENTUALLY ARRIVING AT THE DRY DRAYTON HIGH STREET TO THE TOP OF THE DRIFT. THERE IS A SIGNPOST DIRECTING US- DOWN THE DRIFT TO BAR HOUSE FARM - ACCROSS THE FOOTPATH TO THE SIGNPOST LEADING US TO THE FOOTPATH ACROSS 'BURNT FEN' TO LOLWORTH CHURCH. WE CONTINUED WEST, THEN LEFT, AND ARRIVED BACK AT THE TOP OF THE DRIFT, AND MADE OUR WAY BACK TO THE BARTON ROAD STABLES.

FURTHER INTEREST MAY BE THAT OF THE NAMES AND EMBLEM OF OUR VILLAGE. 'BAR' - FROM BAR HOUSE FARM. 'HILL' - FROM CRAFTS HILL - THE FIRST HILL NORTH OF CAMBRIDGE. THE EMBLEM FROM THE BUZZARDS WHICH I HAD THE JOY OF SEEING AND WATCHING FLYING OVERHEAD. I HAVE ALSO, IN THE EARLY DAYS OF 1929-1950 SEEN THE RARE BLUE BUTTERFLYS, AND WHEN WE CAME TO BAR HILL JUNE 13th, 1967 SEEN IN THE GARDEN, 19 DIFFERENT SPECIES OF WILD BIRDS HEARD, (AND SEEN) THE BARK OF THE FOXES IN FOXHOLLOW, PICKED WALNUTS, HAZEL, SWEET CHESTNUTS, SEEN COW-SLIPS AND LOTS OF WILD FLOWERS NOW UNFORTUNATELY GONE. HAD MY FILL OF ALL THE SOFT FRUITS DUE TO MY FRIENDSHIP WITH A MEMBER OF THE CHIVERS FAMILY. I ALSO BELIEVE THAT BAR HOUSE FARM AT ONE TIME WAS USED AS A STALLION STUD FARM UNDER A PREVIOUS NAME DURING THE TIME OF MY GRANDPARENTS PERIOD IN CAMBRIDGE.

IT IS THEREFORE UNIQUE THAT I, A NORTHERNER, KNOW SO MUCH OF THE HISTORY OF BAR HILL, AND CONTINUED MY INTEREST IN MAKING A SCRAPBOOK OF ALL THE INTERESTING THINGS AND CHANGES IN THE BAR HILL VILLAGE,- BEING AS WE CLAIM TO BE THE LONGEST RESIDING RESIDENTS HERE, STAKING OUR CLAIM ON JUNE 13th, 1967.

MRS HAROLD PRICE,
9 ACORN AVENUE.

EDITORS NOTE:

Many thanks to Mrs. Price. If any other readers have stories or reminiscences of Bar Hill that they would like to have published in the 'NEWS' I would be pleased to accept them at:-

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 17th July in the Green Hut.

SKIP

The situation following the statement by the Chairman of the Parish Council published in last month's Bar Hill News was discussed at length, and it was agreed that there had been some improvement, although some non-garden refuse is still being dumped. It was therefore decided to retain the skip for the time being, but to keep the situation under constant and vigilant review. In future the skip will be emptied each Friday and Monday, and it is hoped that this will ensure that residents will be able to use the skip for the dumping of garden refuse only each weekend. We would nonetheless like to make it clear that the use of the skip will be continually monitored and that any further abuse of the facility will result in its withdrawal.

HEALTH CENTRE

Following several complaints about the appointments system operated at the Health Centre, Lyn Moss recently visited the Centre and talked to Dr. Anderson and Mrs. Wilson, the Health Centre Manager. The mutual exchange of information and opinions was most useful, and a fuller account of the conversation will appear in next month's News. In the meantime, anyone encountering any problems connected with the Health Centre may contact Lyn Moss on Crafts Hill SI34I, and she will do her best to help.

GREEN HUT

The Parish Council hopes to move its meetings to the new Village Hall following its completion, and the future of the Green Hut after this move was discussed. It was decided that the hut should be given to the youth of the Village, with the Scouts as the principal users. It is hoped to move the hut to a new position near the Farm House, so that the Scouts and the Youth Club will be able to use the two buildings in conjunction for their activities.

TELEVISION PROGRAMME

Anglia Television will be filming in the Village on 17th and 18th August for their programme on Bar Hill, which is expected to be transmitted in September. All Villagers are asked to make sure that their own area is looking as tidy and attractive as possible on these two days in order to make the programme a credit to the Village.

BANK OPENING HOURS

The Bank in the Hall will be open on five days each week as from 17th September.

VILLAGE HALL OPENING

The opening ceremony of the new Village Hall will take place at 1.45 p.m. on Saturday, 8th September,

contd..

contd..

immediately before the commencement of the Village Fete. The Parish Council have invited Mrs. Victor Matthews, wife of the Chairman of Trafalgar House, to perform the ceremony, and we hope that as many residents as possible will be present.

The meeting closed at 10.40 p.m.

The next meeting will be on Tuesday 15th August at 8.00 p.m. in the Green Hut, and all Villagers are welcome to attend.

BAR HILL NATIONAL HOUSEWIVES REGISTER

Our meetings in August will be:-

Tuesday 14th August 8.00 p.m. at 12 Acorn Avenue.

Summer barbecue - husbands are invited to come too. Please note the change of venue - not 89 Hollytrees as shown on our programme. Tickets are 70p each, and everyone is asked to bring their own plate and cutlery, to save the washing-up.

Tuesday 21st August 2.00 p.m. at 23 Otter Close.

Where were you ten years ago?

Thursday 30th August 8.00 p.m. at 84 Pheasant Rise.

Now that there is an element of choice - what are our reasons for deciding to have (or not to have) children?

I'm sorry to have to remind you all that our annual subscriptions are due! However, they are still only £1 per member, which in our inflationary times isn't bad at all. In case anyone doesn't know, these subscriptions go to the National Organisation of NHR, and not to the local group (and I certainly don't have a binge on them!) For our pound notes, every member gets two newsletters each year, and we get all the help, support, advice and information we need from the National Group, as well as publicity materials, circulars, and suggestions for meeting topics and other activities.

Anyone who would like to know more about NHR, either locally or nationally, is very welcome to contact me, or come to any of our meetings.

WALK TO LOLWORTH

Sincere thanks are offered for the information kindly given by several earlier "settlers" in Bar Hill in response to the request in a letter to last month's 'Bar Hill News'. This information has enabled the following notes to be given.

O.S. 154 gives an ideal version of the right-of-way footpath; in the actual circumstances, however, this idea has no physical existence until it has been beaten out by man, woman, or child, power --- ideally at the same time of year as Shakespeare's "Lovers" when they "through the green corn-fields did pass" --- "in the spring time." In July of this year, the first leg of the footpath had been traversed, if not at a time as early as this still at a time early enough to allow, in that month, a fairly easy passage, in single file, through the standing wheat.

The first part of the footpath, aligned fairly directly on Lolworth Church, ends at the central of three hawthorn bushes in a line on the far side of the brook hereabouts. Skirting the brook in a leftward direction, to a point some thirty feet from the left-most of the three bushes, a low, grass-grown stone bridge crosses it, and leads to the next leg. This consists in a fairly broad track between different crops, and is roughly of the same length as the first leg.

The second "leg" leads in a slightly uphill direction to a clump of trees on the far side of which a metalled track leads in a roughly south-westerly direction. Crossing this track at a point to the left of the tree-clump, and pointing a little north of west, is the last and shortest leg of the footpath. This leg presents less easy going this year than the preceding two: it is shown as coming out at Lolworth Post Office ("P"), and has apparently been used less than they, on the evidence of the stronger and more resistant corn-stalks here.

From the Post Office, a central village road leads on the right to the Church.

Lolworth Church, on the outside, shows evidence of maintenance work at different periods; inside, in the chancel, memorial tablets commemorate two nineteenth rectors, and the parishioners' esteem for them; in the nave are said to be the evidence of a stroke of lightning in 1393.

There is a Visitors' Book.

The Church is at present closed for a part of the time, because of "petty theft"; an address for the key is given in a notice in the porch.

The return journey to Bar Hill, being gently down-hill, is easier than the outward walk.
